### SENIOR CLASS HISTORY

We started off with Mike D., Laurie P., Debbie C., and Ruth S. We had every thing you could ask for--- everything except an advisor. We searched high and low, but nobody would take our class: M. Durao and L. Powell finally found her in their German class. As a result of one float meeting and six fluffs Miss Renee Gray came to the rescue as part of the float. Thanks alot L.B., K.H., L.H., P.G., Kurt, John and Major for all the help you gave us. Although our float was not acceptable, we appreciated all your efforts. Moving right along rapidly from left to right we embarked upon a career --- door -to-door magazines sales people. Thanks L.T. for the fine Christmas bulletin board with the tiny reindeer lost in the vast aluminum foil lake. The day of the class trip we were all packed and bound for the Delaware Water Gap--- wrong again, the buses never showed up. We almost ended up partying at M. Verder's house. Thank you Pilcher Bus Co. We looked like a bunch of aliens landing on the shores of Seaside, N.J. Thanks to Mr. Morra we got ticket books and spending money. Some of us had an upchuck of a time on the Zipper ride.

Lifting off into our Sophomore year with our newly elected officers and the first of many re-elections. The final results were Debbie C., Ruth S., Sheila S., Sue B., Linda T., and a newly founded position of aide, Vanassa C. Thanks to our successful float meetings we came from behind and ran away with 1ST place with special thanks to Mr. & Mrs. G. and the all-night float meeting at M. Genschaw's house with D. Panaque, M. Murphy, S. McCarthy, and R. Sandklev. (If they never saw another fluff it would be too soon.) As sophomores we got Hi on the Bi, by winning the Bicentennial bulletin board contest. HURRAY for the red, white and blue. Speaking of colors, R. Diaz showed his true colors to R. Senatore at Mad's party. We maintained our spirits by excelling in candy

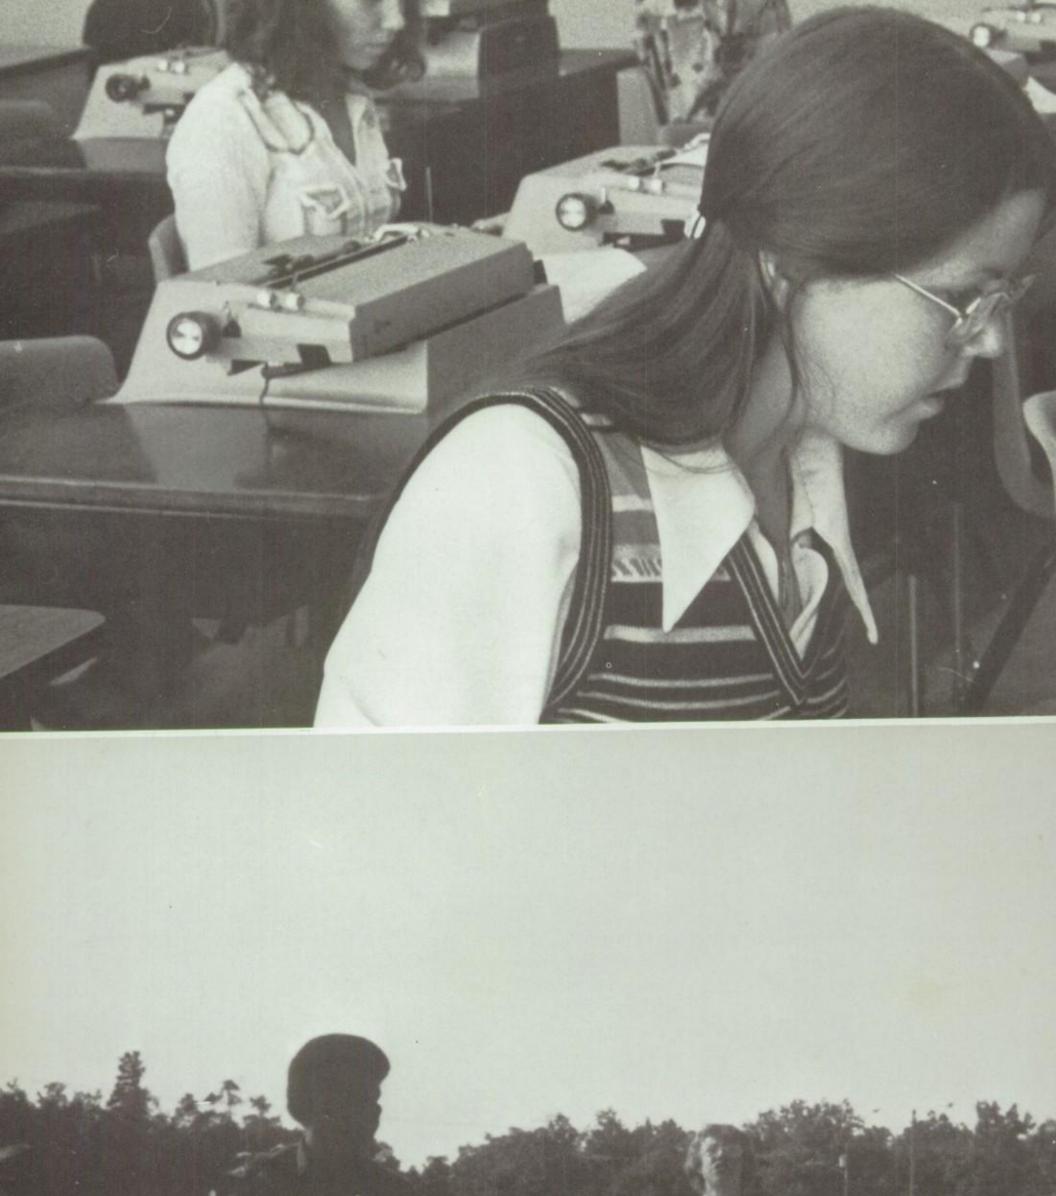

Spirit ars ago Deorge ton crossed the ere. He had a arrack on th soldiers, conquering sales and tons of message boards, which no-one thought would work. We peddled off to our bike raffle which was won by Mr. Garbos. (Now you have transportation to school and can brag about your new wheels!) Once again we went to Seaside ---- only this time it was planned. Thanks to M. D's lack of aim in apple throwing we did not get into too much

trouble from Mr. Morra. M. Luhn (alias Rodney Dangerfield) got no respect from flying seagulls that day. J. Swider and L. Durant thought they were Hell's Angel's on rented

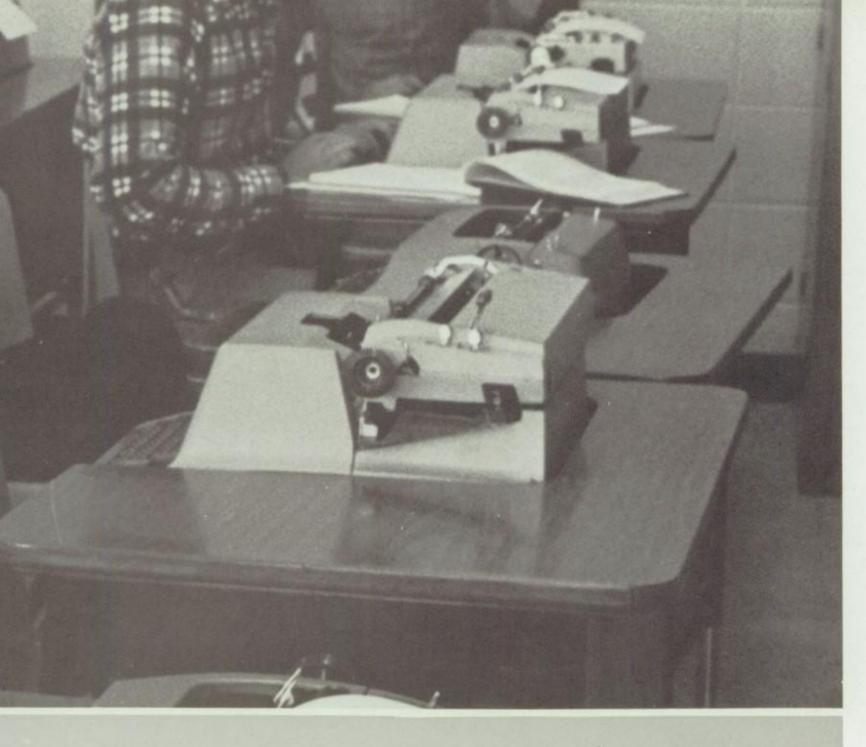

mopeds. A good time was had by all!

We began our junior year with delayed elections. The final outcome was Debbie C., Ruth S., Sue S., Lisa T., Sue B., and Marianne. The Class of '77 thought they were in heaven but the Class of '78 showed who was GREAT!!!! We beat the seniors in the Powderpuff game thanks to the fine quarterbacking of Murph and the two T.D.'s by D. Monda & R. Benzal. The team was cheered on by the "HIGHLY" spirited squad which consisted of M. Durao, M. Anku, E. Picard, C. Weatherall, E. Swanson, D. Toomer, N. VanDuyne, and M. Verder. Thanks we needed that. Well we weren't too successfull with the float (thanks D. Johnson for the truck) but the football players King - Konged the Mariners. E. Swansons beer, dancing, and . . . . parties helped keep the morale high. J. Yostpille thought by snapping his fingers he could make a flame appear. We maintained spirit of victory by winning the Christmas bulletin board. Our fundraising consisted of Advent Calanders, Social Security plates, and the old, reliable chocolate bars. Would we end up at Seaside one more time . . . NO, the Mr. Airey Lodge . . . . we are moving up in the world. Quick thinking L.F., V.I. and S.N., but three hours to get dressed for dinner? Hey D. J., How are the red lips? If we only had alot more guys it really would've been a great dance. After a month of recuperation we "Dreamed On" to the prom. We crossed over the "Brooklyn Bridge" to a successfull prom with Junior King M. Kuhn, and Junior Queen D. Cimino.

Our Senior year was like starting all over again, due to the many changes. Our officers for this, our most memorable year were Ruth S., Lisa T., Laurie P., Shiela S., Sue S., and Marianne M. Farewell to Mr. Morra, thanks for the memories. No more cutting out to the Village Donout Shop anytime we felt liked it . . . . well not officially anyway. We know man does not live by bread alone but they could have opened the cafeteria, still hungary Reyne? L.P. Whats my line? M.K. stalked his way through his Senior year. The Class of '78 became the first class to win Powderpuff two years in a row. Congradualations Renee T. & Lou D. Homecoming Queen & King and we also congradulate Lou for being the first wrestler to win a 100 career matches and the Wall Tournament four straight years in a row, also for placing in the State Tourn. since his freshmen year. Ditto to Jade Harrison for winning Miss Ocean County. Oceans Own T. Vagell . . . hope you achieve your goal and become rich. E. Swenson added to T.R.N.'s Homecoming halftime festivities by joining their pom-pom girls dance routine with our shakers and came away \$15 richer . . . thanks to E. Picard. Was Mr. Hutchinsons face red when S. Swift & L. Hill presented him with a plaque and a kiss. We can't forget E. Swensons overnight float meeting where Dave Toomer was said to have an OOH-LA-LA of a time. Thanks Mrs. S. for the help you gave us on our senior float. Thanks J. Manion & T. Hood for the Christmas bulletin board, less we forget Diane & Dawn for all their school spirit & salesmenship. As we look in the crystal ball we forsee another pleasant trip to Mt. Airey Lodge and a pleasant "Time in a Bottle" with "Bystander" at Kings Grant Inn. Thanks Miss Gray for all your time and help. During these past four years we shared many moments together be they happy, sad, good, or bad. The one event we look forward to now is, of course, our graduation. It will be one of the major turning points in our lives and our new Beginning . . .

Your educational experiences during your years in the Jackson School District and the manner in which you implement them will be of concern and interest to all those who contributed in any way to your growth.

A full and meaningful life will be a direct reflection of these experiences. The challenges you meet in the days that lie ahead will be many. Prepare to make decisions in the attainment of your goals and make them in full confidence that you are the master of your destiny.

Good Luck!!

# MR. GERALD REILLY PRINCIPAL

PRINCIPAL'S MESSAGE

GRADUATING CLASS OF 1978

Tradition is a wonderful support to a sane existence. It represents a substantial residue of common sense that we all fall back on to give us guidance. When other things have withered or past away a tradition is often what is left as a force for good. I trust that the class of 1978 has built up a series of traditions, memories and happy experiences that will be for you in the future, a source of pride and confidence. For me, in my present task of penning a message to you on the eve of your graduation, it becomes an opportunity to try to say something of substance and to make it deeply personal.

I have been asked by the editorial staff of your yearbook to follow the long established tradition of addressing you. After all I am new to the high school, but do not consider myself a stranger to the class of '78. Many of you go back with me to the days of the Clayton Middle School. We are far from being strangers. We have known each other for a long time and have had the opportunity to share happy and pleasant memories in the past. The opportunity for me to address you as high school graduates gives me deep perpast.

sonal satisfaction.

Our experiences have in most cases a 3 part breakdown-a beginning, a middle, an ending. Your educational experience has long since past its beginning stages. For many of you I hope it is merely in mid-course and that you have a long list of goals and future aspirations to address. I also realize that for many of you your education is ending, but I trust only in a formal sense. Whatever decision you will make as individuals I trust will result in happiness and fulfillment. I want particularly to emphasize that the challenges that lie before you are very real ones. Your courage and fortitude will be tested repeatedly. In all things you do or aspire to remember the words of the poet who

said "A man's reach must exceed his grasp or what is a heaven for".

I will try to address you as individuals because that is how I know you. That is how we really ever get to know one another. Sometimes it is a name, sometimes a face but that is how we build relationships and sustain our friendships. What you are really up against is the tough decision of "what to do with my life". Every generation of students down through the ages has already made that decision. Some generations better then others. Each generation goes forth into a different world scene. I am more then confident you will do as well, if not better then other generations of students. You will have more uncertainty to face but I amsure you have the fortitude and courage to do so. What college you go to is not important, that is if you go to college at all. The important thing for you is the attitude for which you go to college. Go to college, or pursue your future whatever it may be with singular dedication, and purpose. I think as educators we have done a pretty bad job of explaining education to the young. Many of you at best have incomplete ideas about yourself and the complex world in which you live and yet today I am very happy for you all, because I know in my heart that you will make us, your parents, and your teachers proud of what you are and even prouder of what you will be.

Sincerely, Gerald J. Reilly

Under New Head Coach, William Ruddy, the 1978 Jackson Jaguar Football Team was predicted to capture the Class A South honors. Although not living up to their preseason expectations, the season was not a total disappointment, with a rugged, hard hitting defense that held its opponent to ZERO T.D.s in the last 10 quarters of the season. The Jaguars produced an overall 4-4-1 campaign. The Jags surprised such perennial powerhouses as T.R. South and T.R. North. They also lost a couple of heartbreakers to Lakewood & N. Burlington in the closing seconds of the games. The players were extremely competitive and played well together as a team, along with producing some really outstanding individual stars.

## GIRLS BASKETBALL

The girls varsity basketball team found it hard to replace H. Connell and fell to 4-10 in tough Shore Conf. "A" south. A second place finish in the "B" div. Monmouth College tournament was the highlight of the season. Danielle Brennan (261 rebounds), Kelli West (291 pts.) Kelli Reddy (foul shooting 55%), and Moe Fister (playmaker) led the team to a 16-14 record under new Head Coach Garth Wittkamp and ass't Kathy Plunkett.

GIRL'S BOWLING TEAM 1977-78

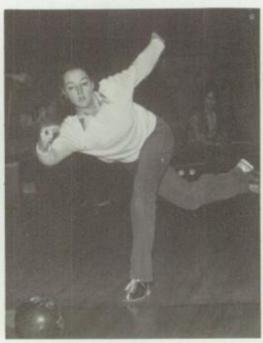

The team won everything there was to win this year: the Shore Conference, the All-Shore Conference, the State Sectionals, and the State Championship in girl's bowling. The conference record was 25 and 8, and Maureen McCormack won high average/medal for the season (165). Kathy Sargent sparked the team with second high series of 519 in the State Sectionals and M. McCormack broke a State record with three 200-games of 644 high series to lead the team to another record-breaking team total pinfall of 2642. Linda Barrette contributed a 524 series. All the team members maintained at least a 150 average for the season, which was the reason they were so consistently winners. The other team members Diane Irons and Susan McCarthy rolled in every game during the season with strong supporting scores. Renee Klein was the alternate. Donna Buys was a regular J.V. participant. This is the third year in a row the team has won the Shore Conference. They won the States in 1975 and came in third last year.

Wrestling 1977-78

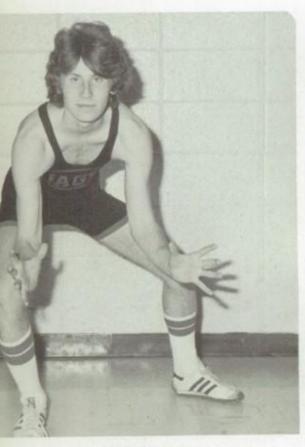

The 1977-78 wrestling team was not as experienced as Jackson teams traditionally are. As a result, the Jags suffered through their first losing season since 1970. The season did have some bright moments as the team wrapped up their year by capturing the District 24 Team Title with Lou Durant, Charlie DiGiantomasso and Robert Nadolski winning gold medals. Taking second was Michael Lambert and Joseph Rice.

In addition to having won his fourth District Title, Lou Durant also captured the fourth Regional Championship and achieved the ultimate in New Jersey wrestling by winning a

State Championship

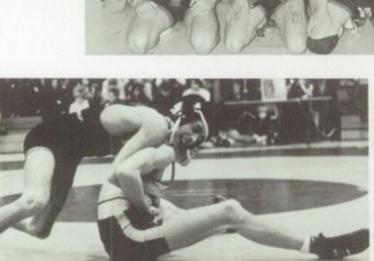

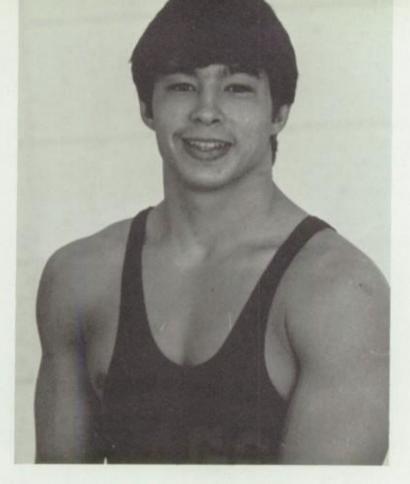

Charlie DiGiantomasso

## A STATE CHAMPION

Lou Durant is now history in the N. J. S. I. A. A. record books. To his credit he has 4 wall Invitational Tournament Titles, 4 District Crowns, 4 Region Champioships, and one N. J. S. I. A. A. crown and 118 career victories. Add 118 Career victories against just 5 losses and you have a highly successful mat career.

He won his first 32 starts as a Freshman before J. P. Stevens & Barry Drill (who went on to the state title) cut him down in the N. J. S. I. A. A. Semi-finals.

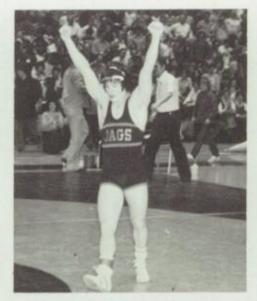

He went on to 30 straight victories his sophmore year before a narrow

loss to DePaul's Gene Mills (who went on to a state title also) in the N. J. S. I. A. A. Semifinals.

As a junior he rolled to 27 victories in his first 28 starts before a 5-1 loss in over-time to T.R.'s Frank Major (who went on to win a state title also) in the N.J.S.I.A.A. Semi-finals. This year was different though. There were no disappointments. His senior year marked his only unbeaten season, 27-0.

He won the 122 lb. District 24 Title, Region 6 Crown and in a Jam-packed Jadwin Gym he decisioned N. Burlington's Andy Zuckerman by a 3-2 score to become the 1978 122 lb. N. J. S. I. A. A. State Champion!

Whatever we had,
I wish we could have kept
But things have changed
Since we first met.
Age makes us grow older-But youth remains in the soul.
Together forever?
No, now we must go-Our own ways
With our own minds, thoughts,
and memories.
Always remember
The time of you and me
And separate the future
From past childhood dreams.

YEARBOOK EDITORS: Lori George, Chris Williams, Eugenia Gruia, Cindy Perez, Licinia Veguilla, (seated) Marilyn Sigel, Advisor

The yearbook staff had many problems to overcome this year. The dedicated efforts of the key staff members, pictured above, enabled the book to be completed. These people spent many long, hard hours working on every aspect of yearbook production. Each and every one of them should be commended for their outstanding effort. A special thanks goes to the Media Center staff for allowing the staff to work in the library and IMC, to Carol, Stephanie, and Mrs. Torre for helping with the underclass section, to Ralph and Renee for providing needed candid pictures, and to Mr. Manigold for giving us a place to work and store all our supplies.
